Live-Stream Virtual Events

Grades 4 and up

Want to know what it takes to keep a large country like Canada safe? We're inviting students across Canada to join us for a FREE live-stream virtual education event to meet RCMP Members from across the country!

These interactive presentations will feature stories and experiences from active RCMP Members across Canada, and a live question and answer segment for students.

Hear from Members in one of the northern most detachments, see live-streamed emergency response demonstrations, and learn about forensics and modern-day innovations in crime prevention.
