Ceremony + Reception Package and Room Turnaround

My husband and I held our reception at the RCMP Heritage Centre and we adored the site. We both think that it's the best reception hall we've scouted in the city. The building itself was clean and had more than enough space to accommodate all the guests comfortably. The staff were also amazing. They were very accommodating and flexible with the last-minute changes and chaos that goes on with big weddings.

- JUSTINE PIA PASCUA
